

Western Europe Ford NX 2019

1) Road network coverage

Navigation DVD

 ~100 % detailed street network

2) Sales arguments

- This DVD provides navigation data with coverage of **~100 % of detailed roads in 28 European countries**.
- Find the most direct route to your exact destination, right down to the house number, thanks to detailed **door-to-door navigation**.¹
- Selecting your navigation destination via **postal codes** is possible.²
- **Avoid traffic congestion** using dynamic route guidance with RDS/TMC traffic news³ in all Western European countries.

¹ Except the countries only covered with connector road network.

² Except Croatia and the countries only covered with connector road network.

³ The availability of dynamic route guidance depends also on the navigation system capabilities.

Western Europe Ford NX 2019

- Find your way to the action with more than **4.29 million** extensive **Points of Interest** (POI) all over Europe such as restaurants, petrol stations, car parks, train stations, ... you name it.
- Copy protection included.

Changes in comparison to the previous product Ford NX 2018

- Navigation data have been updated for precise navigation.
- Community input from thousands of TomTom users has been included.
- Standard services for more than 200 000 POI have been added.
